

Nr. 6143 / 18.09.2026

18th September, 2026

To whom it may concern,

Brașov-Ghimbav International Airport is pleased to invite all airlines operating scheduled flights to participate in a public consultation regarding proposed adjustments to airport charges. The consultation will take place from September 18th to November 18th, 2026.

This process will focus on reviewing updates to the discount structure applicable to airport charges, including landing fees and passenger service fees for scheduled flights. The proposed changes aim to ensure fairness, transparency and alignment with the applicable national and European regulatory framework.

A central element of the consultation is the proposed revised discount model, structured around the number of monthly landings and the number of monthly embarked passengers. This initiative aims to encourage airline growth by providing scalable discounts as operations expand at Brașov-Ghimbav International Airport.

Your engagement and feedback are highly valued, and we look forward to your participation.

For further details and inquiries, please contact us via email at office@brasovairport.ro

Thank you for your attention and participation in this important matter.

CONDITIONS ASSOCIATED WITH AIRPORT CHARGES FOR SCHEDULED FLIGHTS

Consultation Document

Dated: 18th September 2026

Prepared by: Brașov-Ghimbav International Airport (LRBV)

Status: Draft for consultation

Statement: Brașov-Ghimbav International Airport invites all users operating at LRBV to participate in the consultation process on airport charges for scheduled flights. The consultation period will be communicated by the Airport.

DISCLAIMER

Any reproduction, transmission or communication to third parties is strictly prohibited unless previously agreed with Brașov-Ghimbav International Airport. While Brașov-Ghimbav International Airport has taken all reasonable measures to ensure that the information included in this document is accurate, it accepts no responsibility in relation to any decisions made by other parties that have relied on this document in any way.

Key Areas for Consultation

Associated conditions for airport charges: A review of the conditions associated with landing fees and passenger service fees for scheduled flights.

In compliance with the applicable national and European regulations, we ensure full transparency throughout this process. The consultation document detailing the proposed adjustments to the charges is provided below.

GEN 4.1 AERODROME/HELIPORT CHARGES is amended as follows:

1. Landing Charge

UNIT RATE: 3.20 EURO / tone

ADDITIONAL CONDITIONS ASSOCIATED: Depending on the number of landings made by an air operator within one month, the following discounts may apply to the approved landing charge:

Number of landings per month	Discount Percentage
130 - 135	25%
136 - 141	30%
142 - 147	35%
148 - 152	40%
153 - 158	45%
≥ 159	50%

Note: Discounts are only granted for scheduled flights*.

*Scheduled flights: flights to and from the airport, operated with regularity, following a pre-established timetable, year-round, or for periods shorter than 1 year, which are repeated with an obvious systematic frequency and the tickets on these flights are available for public individual purchase, directly from the air carrier and/or from its authorized agents.

4. Passenger service

UNIT RATE: 3.50 EURO / passenger

ADDITIONAL CONDITIONS ASSOCIATED: Depending on the number of passengers embarked by an air operator from Brașov-Ghimbav International Airport within one month, the following discounts may apply to the approved passenger service charge:

Number of embarked passengers per month	Discount Percentage
25,000 - 27,000	25%
27,001 - 28,500	30%
28,501 - 30,000	35%
30,001 - 34,000	50%
34,001 - 39,999	55%
≥ 40,000	60%

Note: Discounts are only applied to the payment amount remaining after deducting the fees set independently by the airport: the fees charged for the surveillance of objectives necessary for the safety of passengers.

Effective date for the associated conditions related to airport charges for scheduled flights:

First available effective date, estimated 28 NOV 2026
